Angelina Campos

With a degree in Accounting and as a Certified Coach, Certified Networker and Master Tutor, along with building three successful businesses through the art, skill and strategy of face-to-face networking, Angelina Campos has created coaching programs to teach entrepreneurs and sales professionals how to implement networking strategies to grow their businesses.

Her Networking Made Easy series: “Client Attraction Networking” and “Finally Get Things Done” are central to her group and individual programs.

Angelina is also the author of “The 7 Essential Layers to Building a Successful Business”, “5 Secrets to Stress-Free Networking”, “Put The Brakes On Your Networking Mistakes” and “Ditch The Pitch and Still Get Clients”.

Angelina loves to travel and enjoys being outdoors with her husband Robert and their two furry companions. Angelina makes California her second home where she enjoys spending quality time with family.
